About ACCESS 2024

2024 The 3rd International Conference on Advanced Civil Engineering and Smart Structures (ACCESS2024) will be held on **November 22-24, 2024 in Bangkok, Thailand**. With a diverse program featuring keynote presentations, panel discussions, and interactive workshops, ACCESS2024 promises to be a premier platform for fostering collaboration and innovation in the ever-evolving domains of civil engineering and smart structures. Join us in Bangkok for three days of stimulating discussions, networking opportunities, and exploration of the latest trends shaping the future of infrastructure and construction.

Publication

All accepted and presented papers will be published in the Conference Proceedings, which will be submitted to be indexed by major citation databases such as **El Compendex, Scopus, Google Scholar, etc.**
