

# ACCESS2022

October 25-26 2022  
Xi'an, China

## 2022 The International Conference on Advanced Civil Engineering and Smart Structures

### ABOUT ACCESS2022

2022 The International Conference on Advanced Civil Engineering and Smart Structures (ACCESS2022) will be held on October 25-26, 2022 in Xi'an, China. ACCESS2022 is to bring together innovative academics and industrial experts in the field of Civil Engineering and Smart Structures to a common forum. The primary goal of the conference is to promote research and developmental activities in civil engineering, Smart Structures and another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working all around the world. The conference will be held every year to make it an ideal platform for people to share views and experiences in Civil Engineering and Smart Structures and related areas.

### Publication

ACCESS welcomes all papers within the scope of Civil Engineering and Smart Structures, covering a wide range of subfields. All accepted papers of ACCESS2022 will be arranged to publish in proceeding, which is indexed by Compendex, Scopus, Web of Science Conference Proceedings Citation Index, SciFinder and Google Scholar, et al...

### Important Dates

Submission Deadline	Oct. 21, 2022
Notification Deadline	Oct.23 2022
Registration Deadline	Oct.24, 2022

### Call or Participant

#### •Full Paper and Presentation

If you are interested in ACCESS2022 but no paper to be presented, you are welcomed to attend our conference as listeners. If you are interested in publishing paper on conference and make presentation, you need to submit full paper to [cfp@icaccess.org](mailto:cfp@icaccess.org)

#### •Oral/Poster Presentation

#### •Listener

If you are interested in giving presentation on conference, without publishing your paper in the proceeding, you need to submit the abstract and title of your presentation.

### Submission Methods

Open conf submission system: <https://www.icaccess.org/openconf/openconf.php>

Email submission: [cfp@icaccess.org](mailto:cfp@icaccess.org)

Please choose one way to submit your contributions.

### Call For Papers

#### T1. Civil and Structural Engineering

Coastal Engineering;Computational Mechanics  
Computer Simulation and CAD/CAE;Concrete Structures  
Construction and Control;Detection and Transformation  
Disaster Prevention and Mitigation;Engineering Management  
Environment-Friendly Construction and Development  
Heating, Gas Supply, Ventilation and Air Conditioning Works  
Hydraulic Engineering;Material Quality and Control  
Metallic Structures;Monitoring and Control Of Structures

#### T2. Hydrogen, Hydrogen Carriers Technology

Seepage and Porous Mechanics  
Ground Improvement  
Deep Foundations  
Rock mechanics and rock engineering  
Geoenvironmental engineering  
Geohazards & Earthquake engineering  
Offshore geotechnics  
Mining geotechnics  
Sustainability in geotechnical engineering  
Pavement materials and structures

#### T3: Bridge and tunnel engineering

Operations in Motorway tunnels  
Construction methods for bridges  
Motorway operations  
Metro Tunnelling  
Transportation and bridge tunnels  
Highway subent engineering  
Road safety engineeringgrade pavemg  
Transportation equipment and information engineering  
Transportation energy and power engineering

#### T4: Disaster Prevention and Mitigation

Structural design for disaster prevention  
Post-disaster rehabilitation and reconstruction of buildings  
Assessment of disaster-related damage  
Reduction of vulnerability of urban areas: repairing shelters  
Rehabilitation and restoration of major infrastructure  
Construction project management for post-disaster reconstruction
